STORY

DANGER! DANGER!

While I was away crusading against the mystery alien Tatanga in Sarasa Land, an evil creep took over my castle and put the people of Mario Land under his control with a magic spell. This intruder goes by the name of Wario. He has been jealous of my popularity ever since we were boys, and has tried to steal my castle many times. It seems he has succeeded this time.

Wario has scattered the 6 Golden Coins from my castle all over

WARIO

Mario Land. These Golden Coins are guarded by those under Wario's spell. Without these coins, we can't get into the castle to deal with Wario.

We must collect the 6 coins, attack Wario in the castle, and save everybody!

These are just a few of the enemies that appear in the Tree Zone. There are many more waiting for you!

◆ Battle Beetle

This is an Atlas Beetle that stomps around as it comes after Mario.

◆ Grubby

This is a slug with a stinger. Don't tread on this grub as its sting is really painful.

◆ Skeleton Bee

This bee has become a skeleton. Even if Mario stomps on this boney bumble bee, it'll come back to life.

◆ Noko Bombette

This is a turtle with a bomb on its back. Beware! This armed reptile explodes when you tread on it.

◆ Bopping Toady

This is a hopping crazy toad. This bouncer occasionally lashes out with its long tongue, so be careful!

◆ Spikey

This weird creature will curl up its spiked body and roll at Mario.

OTHER CHARACTERS

◆ Heavy Zed

This isn't really an enemy, it's a sleeping owl. If Mario climbs onto this owl's head, it'll wake up and give Mario a ride. Heavy Zed has other friends that will give Mario a ride too.

HINTS FROM MARIO

● Jump

If you make me jump while pressing up on the  Control Pad, I can jump very high.

● Spin Jump

When I spin jump, I can break some blocks or get coins and items.

★ There are some blocks I cannot break!

● Ring a Bell Along The Way

Just in case we don't get to the end of the stage, make me ring a bell along the way. On our next try, we can start over again from where the bell was.

★ Ringing bells is not saved into the battery backed memory. If the power is turned off, this information will be lost.

A BELL ALONG THE WAY

● Soap Bubbles

To go to the Space Zone, let me ride in the soap bubbles blown by the Hippo.

It's so easy to control those soap bubbles!

To control the soap bubbles, just press the A Button to make them rise.

★ Be careful! The soap bubble will pop if it touches the water or an enemy.

HIPPO

● 6 Coins

When the game is over, all the coins you recovered from Wario's guards will be returned to them. Try to get them back again!
